

RE*IMAGINE RE*INVEST RE*VITALIZE

KANSAS APA SPRING SYMPOSIUM * EMPORIA, KS * APRIL 13

Join us in Emporia, Kansas for a packed day of speakers, site visits, and local fare. Our day will include a walking tour of downtown, making stops at great examples of infill development and adaptive reuse. We will visit schools that have been converted in to hotels, senior housing, and shared work spaces; downtown storefronts turned into breweries and wineries; and infill housing developments. Learn about the funding opportunities, tools, and partnerships Emporia has used in their nationally renowned Downtown Main Street.
