

2019 QUAD STATE APA CONFERENCE

SPONSORSHIP PACKET

October 9 - 12 | Hyatt Regency | Tulsa, Oklahoma

ABOUT

Sponsoring the American Planning Association's Quad State Conference is a valuable way to show support for planning in the Arkansas, Kansas, Missouri, and Oklahoma region.

Our theme is Gather+Engage+Connect. The conference will bring together an estimated 400 planners, community officials, and allied professionals from the region to share their expertise on a variety of topics including transportation, housing, and changes in planning.

Our conference will connect your business to private and public-sector planners specializing in land use, transportation, urban design, natural resources, and many other areas. The conference will also attract professionals in related fields, as well as elected and appointed officials.

EXHIBIT SPACE

Exhibits will be located in a heavily trafficked area for attendees to learn more about your organization. These spaces are also an opportunity for nonprofits and community organizations to increase their presence at the conference. A limited amount of exhibit space is available and is confirmed on a first come, first served basis.

Increase awareness of your organization and services by sponsoring! The conference offers a range of benefits designed to promote companies and organizations of all sizes.
